Parks on the Air Event

Along with HVARC (Hidden Valleys Amateur Radio Club - Platteville WI), experience portable Ham Radio operations at a wonderful park! Belmont Mound State Park K-1438, Saturday April 30th 2022 from 12-4pm.

All Hams and Non-Hams welcome to attend and or operate.

Work HF, a pileup, and maybe some DX! POTA is one of the hottest activities to hit the hobby in recent years.

No State Park sticker necessary! Restrooms on premises. Setting up right next to the parking lot.

Come visit us on Saturday afternoon! For more information about our club and how to become an amateur radio operator, go to web page kc9kq.net and facebook.com/HVARC or contact the club Secretary Michael Chulafich-NG9B at 608-379-4740
